WARRANTY	3-year limited warranty standard
-----------------	----------------------------------

1. WWAN and GPS are mutually exclusive.
2. Contact your sales representative for feature availability.
3. RJ45, smart card reader and RFID are mutually exclusive options.
4. Tested using the MobileMark 2014 battery life benchmark. Results may vary under different situations including hardware configuration, software, operating conditions, power management settings and other factors.

LIGHT, SLEEK, **STRONG**

At just 20mm (0.78") thin and weighing only 1.2kg (2.7lb), the R11L brings a light new edge to the fully-rugged class of tablets. This tablet is super sturdy, comes in bold black, and sports a surprisingly sleek design.

IMPRESSIVE **PERFORMANCE**

The R11L runs on the Intel® Pentium 4417U 2.3GHz processor with Intel® HD Graphics 610, delivering excellent performance and visuals to workers out in the field. In addition, the R11L promises dependably smooth processing via the high-speed data transmission capability of Intel® Dual Band Wireless AC 9260 and Bluetooth® V5.0.

A BRILLIANT **TOUCH**

The R11L is designed for use in all sorts of challenging environments, including rain, cold and sunlight among others. This tablet's 11.6" FHD (1920×1080) LCD with Durabook's proprietary DynaVue® technology makes the screen easy to view even in the bright light of day. And, its 10-point capacitive multi-touch panel can be used with a glove, stylus or finger even in wet weather.

VERSATILE **DATA CAPTURE**

The R11L features a host of integrated data-capture modules for several versatile ways to retrieve and transmit information on the move. Optional features include a barcode reader, RFID reader and smart card reader. A 2MP front camera, 5MP rear camera, Wi-Fi and Bluetooth® V5.0 come standard on this handy tablet.

LONG-LASTING **POWER**

Battery life is a critical concern for keeping mobile workers productive. To meet this need, the R11L offers an optional high-capacity battery that lasts for up to 16 hours without a charge.

BUILT **TOUGH**

Workers in the field can confidently do their jobs in all sorts of environments and temperatures with a tablet built tough like the R11L. It's MIL-STD 810G, MIL-STD 461F, and ANSI C1D2 12.12.01 certified, as well as IP65 rated, and made to withstand 4-foot drops and rigorous vibration too.
